November 20th, 2020 11:30 am - 1:00 pm
“Basic Behavior Principles for Success”

Webinar Description:

There are core principles for every behavior management program whether being implemented in the home or in the school classroom that should be in place for a successful learning experience. This session will teach parents about those core elements, the balance between consequences and rewards, and the ways to address challenging behaviors.

All sessions will be recorded and posted on the www.fdlrs.org website for access at your convenience at a later date.
